

REPERTORY OF INTERNATIONAL FESTIVALS

This REPERTORY has been prepared as the project of the UNIMA Commission for International Festivals. Thanks to the answers from more than 460 festivals from 60 countries all over the world sending back the filled Questionnaire, thanks to Spanish Tolosa TOPIC help and thanks to UNIMA National Centres and personal involvement of UNIMA Councilors, the new Repertory is coming after 11 years to serve and to help UNIMA members and friends.

Apologize, please, the possible mistakes and understand the practical need to shorten the information in some cases. The information printed in this Repertory is also available on line where corrections and updates may be added anytime.

The festivals are listed by countries; in its last part you find an Index by months of the year.

Ce RÉPERTOIRE est le fruit du travail de la Commission UNIMA des Festivals Internationaux. Grâce aux réponses de plus de 460 festivals de 60 pays à travers le monde qui ont retourné leur questionnaire, grâce au Centre TOPIC à Tolosa en Espagne et grâce aux Centres nationaux et à l'implication personnelle des conseillers, ce nouveau Répertoire imprimé paraît 11 ans après le dernier, pour servir et aider les membres et amis de l'UNIMA.

Nous vous prions d'excuser les possibles erreurs et de comprendre la nécessité de parfois raccourcir l'information. Les renseignements contenus dans ce Répertoire se retrouvent aussi en ligne, où des corrections et mises à jour peuvent en tout temps être apportées.

Les festivals sont classés par pays. Un index à la fin répertorie également les festivals par mois de l'année.

Este DIRECTORIO es fruto del trabajo de la Comisión de Festivales Internacionales de UNIMA.

Gracias a las respuestas de más de 460 festivales de 60 países de todo el mundo que han respondido al cuestionario, gracias al Centro TOPIC de Tolosa en España y gracias a los Centros Nacionales y a la implicación personal de consejeros, este nuevo Directorio impreso, aparece 11 años después del último, para servir y ayudar a los socios y amigos de la UNIMA.

Os rogamos nos disculpéis los posibles errores y que comprendáis la necesidad, en alguna ocasión, de reducir la información. La información contenida en este Directorio se encuentra también en línea, donde continuamente se pueden aportar correcciones y actualizaciones.

Los festivales están clasificados por país. Al final del directorio hay un índice de los festivales por mes del año.
